

Te Wānanga o Aotearoa is a uniquely Māori learning environment for everyone. We're not a university or a polytech. We're a wānanga. And that's just a little bit different. No matter who you are, if you're a New Zealand Citizen or resident living in NZ, we have amazing study possibilities for you.

If you want to learn in an environment that's been designed for your success and you don't want to go far from home to do it, this is the place for you. For over 30 years we've been delivering recognised qualifications to meet the needs of school leavers, business professionals, empty-nest mums and dads, indigenous academics and kaumātua.
